Good Morning Judy,

I'm writing to inform you that I won't be back as a Paraprofessional for the coming school year. As much as I absolutely loved my students and ALL of my fellow para's I was offered a full time, full year position with Hartford Health Care. Thank you for the opportunity you provided me, I won't ever forget how much I enjoyed working at CES. Best wishes for a wonderful school year,

Yours truly,

Kimberly Doyle
